

A Love For Truth

Written by Dylan Woodward

Verse 1

Lord, You have my full attention
When You speak, You will be heard
Show me deeper revelation
As I seek You through Your Word

May I never lose this passion
Let it burn within my heart
And let every vain distraction
Be consumed by all You are

Chorus

Give me a love for truth
And all the things that draw me close
to You
A love so strong that I will not be
moved
I will not be moved

Because You are the truth
You mean more to me than words
could ever say
So I promise, Lord, I'll never walk
away
I'll never walk away

Verse 2

I have made my heart's decision
I have purposed in my soul
I will stand for what You've spoken
Even if I stand alone

I will never lose this passion
I will always follow You
I will never leave the beauty
Of Your holiness and truth

Bridge

Show Yourself to me, Lord
I crave a love that's more than
emotion
Deepen my commitment to You
I give You total devotion

Vamp

I'll buy this truth and I won't sell it
I choose this truth above all else
